FAQs:

When you start earning your Lone Star Freedom Fighter award, you embark on a **“MISSION”**. Your Lone Star Freedom Fighter “Mission” is not complete until you have earned two *Achievement Awards*;

Your **“MISSION”** consists of earning two **“ACHIEVEMENT” Awards**

- 1st Achievement: **“PATCH ACHIEVEMENT”**
- 2ND Achievement: **“SILVER STAR ACHIEVEMENT”**

The Chapter Rep places the order for each Achievement Award at the State Board meeting, then gives the earned ACHIEVEMENT AWARD to the Chapter Coordinator—who then presents it to the recipient at the monthly Chapter Business meeting.

The 3-dimensional Silver Star is to be worn in the middle of the patch—covering the smaller embroidered star.

PATCH ACHIEVEMENT is earned by completing any 5 **“ACTIVITIES”** *
SILVER STAR ACHIEVEMENT is earned by completing 5 remaining **“ACTIVITIES”** *

5 ACTIVITIES = 1st Achievement Award (Patch Achievement)
5 ACTIVITIES = 2nd Achievement Award (Silver Star Achievement)

Record Keeping

Each ABATE member embarking on his or her *Mission* will receive a *Passport-like* booklet to keep with them while completing any and all *Activities*. This Mission Passport will contain information, facts, and the history for each of the 10 required *Activities*. The ABATE member is to record the dates, take notes, and collect seminar signatures during each *Activity*. This fact-filled “Passport” will belong to the ABATE Freedom Fighter (to share with others) and will serve as “proof” for completing the required *Activities*.

Additionally, the Chapter Coordinator will complete the record keeping at the Chapter level by entering each completed ACTIVITY on the ABATE member’s original application log.
