YOU GOTTA FIGHT FOR YOUR RIGHT TO REPAIR

SUPPORT H.R. 906 !

Do you enjoy working on your motorcycle? Do you want to guarantee access to the parts, tools and service information needed to modify, service and maintain your bike? If you answered yes to these questions, it's time to contact your member of the House of Representatives and ask them to cosponsor H.R. 906, the "Right to Equitable and Professional Auto Industry Repair Act" or the "REPAIR Act".

The REPAIR Act ensures that vehicle owners or repair shops are not denied access to the information, software or tools needed to work on vehicles. The proposed law also establishes rules regarding vehicle data access. This common-sense law will help preserve consumer choice and a fair marketplace.

As of July 1st, 32 members of the House of Representatives have signed on in support. That is twice as many as were on the bill before the Motorcycle Riders Foundation (MRF) held its Bikers Insider the Beltway event in May! The MRF is making a difference, let's keep up the pressure!

Congress returns to Washington D.C. Tuesday, after a two-week break. That makes it the perfect time to contact your lawmaker and tell them you support H.R. 906.

Please contact your member of Congress and make a difference in D.C.

What's Happening

AUGUST 4th - AUGUST 13th 2023

The Sturgis Motorcycle Rally is the largest motorcycle rally in the world. It is held annually in The Black Hills and in Sturgis, South Dakota for 10 days during the first week of August. It was started by local Indian dealer Pappy Hoel in 1938. Since its beginning, private area businesses throwing events such as races, concerts, and rides have made, and continue to make, the Sturgis Rally what it is today. 2023 will mark the 83rd annual Sturgis Motorcycle Rally

RIDE WITH THE LEADERS!

Thousands of motorcyclist rights activists have attended MRF sponsored annual regional and national workshops since 1985. These workshops provide the nuts and bolts, "user friendly" subjects and training to assist motorcyclists in defending, building, and strengthening their grass roots organizations.

Motorcycle Riders Foundation is proud to present their annual conference for politically motivated motorcyclists! Spend the weekend with some of motorcycling's most educated and dedicated activists. Learn what issues will impact bikers today and in the future!

Use the applications below to join and support the Motorcycle Riders Foundation and to pre-register for the **39th Annual Meeting of the Minds, September 21-24, 2023.**

WHO WE ARE

The Motorcycle Riders Foundation is the Nation's premiere motorcyclists' rights organization that is chiefly concerned with issues at the national and international levels that impact the freedom and safety of American street motorcyclists. We are also committed to educating rights advocates to improve effectiveness at the state and local levels. The MRF works together with street motorcyclists, State Motorcyclists' Rights Organizations (SMROs), the motorcycle industry, the media and other organizations, assisting them with state and local agendas as well as working with them to influence action and policy in Washington, DC - from the Congress to government departments and agencies to the Office of the President of the United States. We also work with allies in Canada, Europe and Asia to influence talks on vehicle globalization and harmonization that are proceeding under the United Nations and the World Health Organization.
